Royal Commission - Forum

The Centre, together with VCOSS, invite you to a forum which will inform community sector agencies about the Royal Commission into Institutional Responses to Child Sexual Abuse.

The forum is targeted towards community service organisations that provide child and family services and may be involved in the Royal Commission or work with people participating in proceedings.

The forum aims to:

- Provide information about the Royal Commission into Institutional Responses to Child Sexual Abuse.
- Provide information about preparing to respond to the Royal Commission.
- Provide information about the legal risks and responsibility of organisation's boards and staff.

We are delighted that **Commissioner Justice Jennifer Coate** will be joining us to provide an outline of the work of the Royal Commission.
