Effective Leadership Skills Training

Designed by practitioners for practitioners

Overview

This workshop is designed for staff in the Community Services sector who currently lead teams or are seeking to strengthen their leadership capabilities. Participants will gain practical tools and strategies to lead with confidence, clarity, and impact.

The program explores key elements of effective leadership and supports participants in building competence, deepening self-awareness, and enhancing their ability to lead diverse teams successfully.

Program Topics Include:

- Self-care and self-awareness for effective leadership
- Leadership models and approaches
- Managing teams, including navigating difficult behaviours and conversations
- Leading through a trauma-informed and culturally responsive lens

This workshop is ideal for emerging and current leaders who want to grow their leadership skills in a supportive and practical learning environment.

Learning Outcomes

By the end of this workshop, participants will be able to:

- Recognise the positive impact of effective leadership in supporting teams within the Community Services sector
- Understand the key skills required to become a successful and confident leader
- Strengthen their confidence in their leadership capabilities
- Identify and apply practical strategies for leading teams effectively

Delivery and Suitability

This highly interactive 4-hour workshop is available both in-person and online, offering flexibility to suit your organisation's needs. To ensure a quality learning experience and encourage active participation, each session is limited to a maximum of 30 participants.

Who Should Attend

This workshop is ideal for professionals in the Community Services sector who have leadership responsibilities. It is fully customisable to suit both emerging leaders and experienced managers seeking to further develop their leadership skills.

Combined Supervision and Leadership Skills Workshop

This comprehensive 6-hour training package combines the *Effective Supervision Skills* and *Leadership Development* workshops into a single, powerful learning experience. Designed for staff in the Community Services sector who support and lead teams, the combined workshop offers a practical and engaging approach to developing both supervision and leadership capabilities.

Participants will gain essential skills to manage teams effectively, lead with confidence, and foster a supportive and productive work environment.
